

Pharma

Manuchar offers high-quality raw material chemicals for the pharmaceutical and veterinary industries. We provide a variety of active pharmaceutical ingredients (APIs) and excipients.

Manuchar offers an assortment of raw materials used for the elaboration of pharmaceutical and veterinary products. Thanks to our experience as a global distributor, we supply a wide range of active pharmaceutical ingredients and excipients.

The sound knowledge of our local teams allows us to provide high-quality active pharmaceutical ingredients (APIs) and excipients such as Glycols, Polyols, Starches, Celluloses, Sweeteners and Acids.

Manuchar as a global player

In 2023 we handled 4 million metric tons of goods, generating 2.4 billion USD in sales. Our local operations are in over 40 countries and 160 locations. Manuchar employs 2,800 professionals worldwide.

At Manuchar “We keep your production running. Anytime. Anywhere.”
