

Pulp and paper

Manuchar supplies pulp, waste paper, paper and board to paper mills, printers, converters and merchants globally. Our products are used for printing, packaging, hygiene and speciality paper applications.

We supply pulp and paper in overseas emerging markets, supporting mills, merchants, printers and converters in finding the right supply chain as well as assisting paper mills in introducing their grades to customers worldwide.

Manuchar Pulp & Paper is a vibrant and motivated team. In close cooperation with our compliance, legal, treasury and credit-insurance teams we are able to achieve the highest levels of added value and support to our partners in the industry.

Our global infrastructure and feet-on-the-ground allow us to act very quickly, and bring prompt solutions to the complexities which trading in overseas markets often encounters.

Our team is one of the most dynamic in the industry with a clear goal in mind: to grow together with our markets and our partners. We are committed to our purpose and invest every day in making a difference.

Manuchar as a global player

In 2023 we handled 4 million metric tons of goods, generating 2.4 billion USD in sales. Our local operations take place in over 40 countries and 160 locations. Manuchar employs 2,800 professionals worldwide.

At Manuchar “We keep your production running. Anytime. Anywhere.”
